NOW ACCEPTING APPLICATIONS FOR LISTINGS IN "THE WORLD'S MOST PERFECT PHONE BOOK"

We are pleased to include for your inspection what most experts have already agreed to be the world's most perfect phone book.

The considerable differences between the all-new condensed directory, and the standard phone book can be briefly stated as follows:

1. The Edmonton and Calgary editions of Mini Guide will each contain the listings for every business and professional office in the respective metropolitan areas, thereby becoming the first telephone directories that can be considered complete and comprehensive in every respect.
2. Because Mini Guide does not include the large display advertisements so common in standard Telephone Directories, these condensed phone books are, in our opinion, much more useful to the general public.
3. The grade of paper used and the high quality of production insures that Mini Guide will remain neat for the one calendar year that it is in daily use.
4. Mini Guide is cardexed for fast efficient service and includes a built-in telephone selector pad which in itself has become the "phone book" for approximately 97% of the personal telephone calls made from residences.
5. The massive annual circulation of Mini Guide (Edmonton - 106,000 copies, Calgary - 94,000 copies) guarantees that this complete, condensed, yet comprehensive telephone directory will, for all practical purposes, replace the standard telephone directory presently servicing the Metropolitan Edmonton and Calgary areas.

COMPARE FOR YOURSELF, and we think you will agree that during a recessed economy you cannot afford not to be listed in the world's most perfect mass circulation condensed telephone directory.

REMEMBER! If your phone stops ringing . . . your business loss could exceed 50% of your existing gross volume.

TO INSURE that your listing will appear in the next edition of the directory, choose a listing style from the samples enclosed and return one copy of the application form (on pages 5 and 7) today to the agents of the Publishing Company in your area.
